What do you want to do? Please mark the boxes below to indicate the access you require

- I want to pay bills and transfer between my accounts (always provided)
- I want to be able to transfer from my accounts to other Saudi Banks in Saudi Riyals
- I want to be able to transfer from my account to any bank in the world and in any currency

Set your personal limits. Please indicate by choosing one of the profiles below, which limit you would like the service to place on your use of financial transactions. Transfers between your own accounts at The Saudi Investment Bank do not affect your limits. If you need custom (*) limits please indicate all of the required information.
